ME 374 -- System Dynamics Analysis and Design

My Experience with ME 374 What do we learn in ME 374? • Determine the response of the system by solving the ODE's or the state equations What are the challenges of ME 374? • All the contents are highly mathematical • It is quite difficult to understand the physics behind the mathematics • It has too much material to cover • False expectation -- effort: 2 hrs/credit, expected
